Dear Sir:

Responsive to the Restriction Requirement dated April 7, 2004, Applicant elects Claims 55-78 and 80-83 without traverse. Please cancel non-elected Claim 79 without prejudice to their possible future presentation in a divisional application. Please also amend the application as shown in the attached claim list in which Claims 55, 60, 63, 73, 75, 77, 78 and 80 are amended, Claims 84-99 are new, Claim 79 is cancelled, and the remaining claims are unchanged. New Claims 84-87 depend on elected claims, while Claims 88-99 are similar to claims of the elected claim group. Thus, Claims 84-99 should be included with the group of elected claims.

Respectfully submitted,

Dated: June 7, 2004
